Downloading the MHealth Application

MHealth is the mobile version of MEDITECH's Patient and Consumer Health Portal, which offers secure and convenient access to your health information at your fingertips, on your mobile device or tablet. MHealth offers a wide range of results and features that allow you to better manage your and your family's care. Use your existing Patient Portal login ID and password to get started with MHealth.

1. Depending on your mobile device, download the MHealth application using the App Store or the Google Play Store.
2. Open the MHealth application. If "location services" is turned on, you will see Portals that show "Near me". Click on the KRMCM Portal icon. It will look like this.

3. Login using your portal username and password. (If you cannot remember your login information you can click")
 - a. "Forgot Username" – This process will send an email to reset your username, password, and security question.
 - b. "Forgot Password" – This process will send an email with a temporary password that will be used to create a new password.
 - c. If you are still unable to login, please email mkhp.him@azkrmc.com or call 928-263-4500 for assistance.

Depending on the settings of your mobile device. You may get the following screen when opening the MHealth application.

1. Click "My Recent Portals"
2. Click "U.S. States"
3. Click "Arizona"
4. Choose "Kingman Regional Medical Center"

MyHealthHub Dashboard

The Dashboard widgets

- What's New
- Appointments
- Results and Reports
- Messages
- Medications
- External Links

The screenshot displays the MyHealthHub dashboard for a user named Meditech 40 REG, born February 4, 1943. The interface is organized into a top navigation bar, a left sidebar, and a main content area with a grid of widgets.

Top Navigation Bar: Includes links to Service Now, LIVE, Cases, MEDITECH - Custo..., Portal, Portal Test 2.2, TEST 2.2, 3M Support, CMS, Livanta BFCC-QIO, Livanta QIO, PHM Functionality, Regulations, DMC-EZ System, CioHealth, ManageEngine, Royalty Portal, DeliverHealth, and Other favo.

Left Sidebar: Contains a user profile for Meditech 40 REG and a list of account options: Dashboard, Appointments, Billing, Calendar, Documents, Health Record, Medications, Messages, Past Visits, Questionnaires, and Results and Reports.

Main Content Area:

- Header Section:** Titled "SAME DAY SICK - Virtual Visits", it provides information about virtual visit hours (8:00am - 3:30pm Monday - Friday) and instructions for requesting visits. It also includes a "NOT MEDICAL ADVICE" warning and emergency instructions to call 911.
- Widget Grid:**
 - What's New:** Displays "Results and Reports (1)".
 - Virtual Care:** States "See a provider using our video conferencing technology. Virtual care is unavailable."
 - Appointments:** Shows a pending "EVAR" appointment and a "Same Day Sick Virtual Visit" pending. Includes a "Test connection" button and a "View all appointments" link.
 - Results and Reports:** Lists recent results including "AMB Office Visit" (July 20, 2025), "Addition Medicine Consult Report" (November 26, 2024), and "ER Physician Documentation" (August 26, 2024). Includes a "View all results and reports" link.
 - Messages:** Indicates "You do not have any inbox messages." with a "Compose" button.
 - Medications:** Lists several medications including albuterol sulfate, amiodarone, azoxaban, metoprolol succinate, and omeprazole magnesium.
 - Questionnaires:** States "You do not have any questionnaires to submit." with a clipboard icon.
 - Billing:** Shows a total balance of \$67,131.55 and lists accounts with service dates and balances.
 - External Links:** Provides links for "Visit Us", "Online Bill Payment", "KRMC Previous Patient Portal", "Notice of Privacy Practices", and "Rights and Responsibilities".

Account Options – Share My Portal

Share My Portal

- Click Account Options
- Click Share My Portal
- Click Create Invitation

The screenshot shows the 'Profile' page for 'Meditech 40 REG' (Birthdate: February 4, 1945). The left sidebar contains navigation links: My Profile, Share My Portal (highlighted), My Preferences, Log Out, Dashboard, Appointments, Billing, Calendar, Documents, Health Record, Medications, Messages, Past Visits, and Questionnaires. The main content area is titled 'Profile' and has tabs for Patient Information, Contacts, Shared Access (selected), and Data Exchange. Under 'Shared Access', there is a 'Create invitation' button and a 'View activity' link. Below this, 'Your shared access users' are listed in a table:

Access status	Last accessed
Active	Jul 26, 2025 9:17 AM
Active	Never
Active	Oct 20, 2023 10:07 AM

Each user entry includes their name, email address, and a detailed 'Access level' description. For example, 'Reg Meditech 40' has access to Billing, Billing details, Clinical data, Current stay, Download medical records, Family history, Non-clinical/social appointments, Profile, and Surgical status. 'MEDITECH SUPPORT' has access to Billing, Billing details, Clinical data, Current stay, Download medical records, Family history, Non-clinical/social appointments, Profile, and Surgical status.

- Complete recipient information and click next

The screenshot shows the 'Create an invitation' form within the 'Profile' page. The form is titled 'Create an invitation' and includes instructions: 'Create an invitation for another person to access this Patient Portal by completing the form below. Please verify the email address with the person you are inviting. They must accept the invitation using the same email address.' The form is divided into five steps: 1. Recipient, 2. Access Level, 3. Access Permissions, 4. Message, and 5. Verification. The 'Add recipient information' section includes the following fields:

- First name (required): Portal
- Last name (required): Test
- Email (required): portal.test@email.com
- Confirm email (required): portal.test@email.com
- Relationship to patient (required): Family/Other (selected from a dropdown menu)

At the bottom of the form, there are 'Next' and 'Cancel' buttons.

- Define access Level and click next. (standard or view only)

The screenshot shows the 'Create an invitation' form in the Patient Portal. The user is at Step 2: Access Level. The form has a progress bar at the top with five steps: 1. Recipient, 2. Access Level (current), 3. Access Permissions, 4. Message, and 5. Verification. Below the progress bar, there is a 'Back' button. The main section is titled 'Select access level' and contains two radio button options: 'Standard' (selected) and 'View Only'. The 'Standard' option description states: 'This user will be able to view information and perform actions as permitted.' The 'View Only' option description states: 'This user will be able to view information as permitted and submit payments. They will not be able to perform other actions, such as messaging a provider, requesting a medication renewal, or scheduling an appointment, etc.' At the bottom, there are 'Next' and 'Cancel' buttons.

- Define access permissions and click next.

The screenshot shows the 'Create an invitation' form in the Patient Portal. The user is at Step 3: Access Permissions. The form has a progress bar at the top with five steps: 1. Recipient, 2. Access Level, 3. Access Permissions (current), 4. Message, and 5. Verification. Below the progress bar, there is a 'Back' button. The main section is titled 'Select access permissions' and contains a list of checkboxes: 'Billing', 'Billing details', 'Clinical data', 'Family history', 'Current stay', 'Download medical records', 'Non-clinical/social appointments', 'Profile', and 'Surgical status'. The 'Clinical data' checkbox is selected. Below the list, there is a description: 'Allergies, Appointments, Conditions, Health summary, Immunization certificate, Immunization history, Letters, Medications, Messages, Oncology, Questionnaires, Reports, Results, Scanned documents, Visit history, Wellness care'. At the bottom, there are 'Next' and 'Cancel' buttons.

- Add a custom message to the invitation and click next.

The screenshot shows the 'Create an invitation' form in the Patient Portal. The user is at Step 4: Message. The form has a progress bar at the top with five steps: 1. Recipient, 2. Access Level, 3. Access Permissions, 4. Message (current), and 5. Verification. Below the progress bar, there is a 'Back' button. The main section is titled 'Add a custom message to be sent with your invitation.' and contains a text area with the following text: 'Good morning, Portal Test. I have provided access to my patient portal. Please follow the instructions to gain access. Thank you.' Below the text area, there is a character count: '868 characters remaining'. At the bottom, there are 'Next' and 'Cancel' buttons.

- Review information. If everything is correct, click submit

Profile

Custom message
Good morning, Portal Test.

I have provided access to my patient portal. Please follow the instructions to gain access.

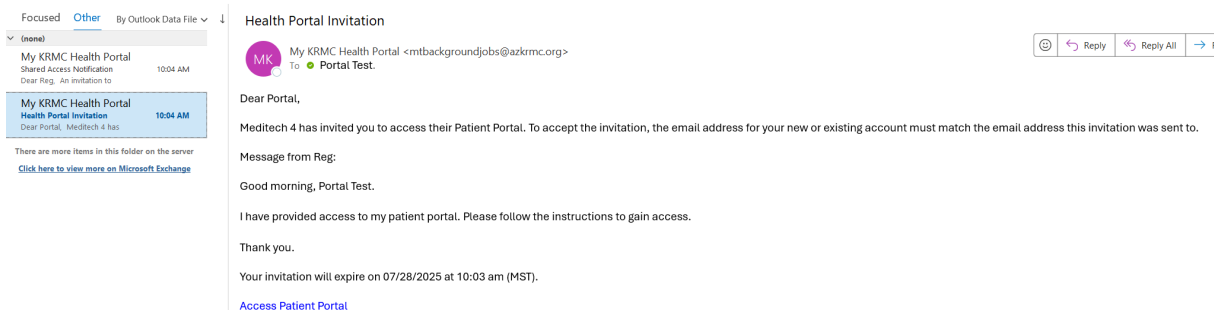

Thank you.

Access level
Standard

Access permissions
Billing, Billing details, Clinical data, Family history, Current stay, Download medical records, Non-clinical/social appointments, Profile, Surgical status

[Submit](#) [Cancel](#)

- The recipient will receive the following email. Click the “Access Patient Portal” link . **The recipient must have a portal account already setup with KRMCC**

- Once logged in. To view the other persons medical information, click account options, then click on the persons name under “Switch person”

Account Options – Preferences

Preferences

- Click Account Options
- Click Preferences

Here you can change your password or update communication preferences

The screenshot shows the 'My Preferences' page. On the left is a sidebar with the user's profile (Meditech 40 REG, Birthdate: February 4, 1945) and links for 'My Profile', 'Share My Portal', 'My Preferences', and 'Log Out'. The main content area is titled 'Preferences' and includes a sub-header 'My preferences'. Below this is a message: 'View your communication and Patient Portal access preferences. Select "Update User Preferences" to request a change to your communication preferences and default patient or "Change Password" to reset your password.' There are two main sections: 'Communication preferences' with a 'Change communication preferences' button, and 'Change password' with a 'Change password' button. The 'Communication preferences' section also lists 'Preferred email address: kenneth.wadley@azkrmc.org' and 'Email preferences: Receive notifications about portal news. Receive notifications about portal system maintenance.'

Account Options – Data Exchange – Patient Record Restrictions

Data Exchange

- Click Account Options
- Click Data Exchange

This options give patients more control over their health information by allowing them to request restrictions on its sharing.

The screenshot shows the 'Data Exchange' page under the 'Profile' section. The sidebar on the left lists various patient services like 'Dashboard', 'Appointments', 'Billing', 'Calendar', 'Documents', 'Health Record', 'Medications', 'Messages', 'Past Visits', 'Questionnaires', and 'Results and Reports'. The main content area is titled 'Data Exchange' and contains the following text: 'The HTI-1 rule aims to give patients more control over their health information by allowing them to request restrictions on its sharing. For more information on this rule, please visit: https://www.healthit.gov/topic/laws-regulation-and-policy/health-data-technology-and-interoperability-certification-program'. Below this is a text input field labeled 'Enter your request' with the placeholder text 'Please do not send any CT scans to Dr. Mock, MD.' and a 'Submit' button. The input field also shows '328 characters remaining'.

How to Request or Download Your Medical Records

You can obtain your medical records in any of the following ways:

- Visit the Medical Records Release of Information window in the main lobby of Kingman Regional Medical Center, 3269 Stockton Hill Road.
- Use the online [Patient Portal](#) (for any visits 06/01/19 and forward).
 - Access medical records and results
 - Message your provider
 - View appointment information
 - Request appointments and medication refills
 - Update passwords and demographic information
 - Download medical record
- Fill out and sign the [online Medical Record Request form](#) and submit it in one of the following ways:
 - Email the form to our Medical Record department at mkhp.him@azkrmc.com
 - Fax the form to 928-692-3464
 - Mail to:

Kingman Regional Medical Center
Medical Records
3269 Stockton Hill Rd
Kingman, AZ 86409

For any questions regarding your medical record, email mkhp.him@azkrmc.com or call (928)-681-8670.

How Download a copy of your medical records

1. Login to your portal account
2. Click on the “Health Record” link
3. Scroll to the bottom of the screen and click on the “Request Medical Record” Link

Download Medical Record

No medical record file available to download.

Select the “Request Medical Record button” to create a downloadable file of your medical record.

[Medical Record Activity](#)

5. Click on the link in the email to log back into your patient portal account. (It will take about 30 minutes for the system to process the request, depending on the size of the medical record download.)

KRMC Patient Portal Update

My KRMC Health Portal <mtbackgroundjobs@azkrmc.org>

Dear Reg,

You have new items available in your Patient Portal.

You have new items. Click on the link(s) below to view.

- [Medical Record Download](#)

You can log on to the Home page of your portal by accessing the link below:

[Click here to sign in.](#)

6. Click download – Follow steps below to view medical records once download.

• Download Medical Record (Updated)

To download your medical record file follow these steps:

1. Select the Compile button to start gathering your medical information in Zip file format.
2. Select the Download button to save the zipped file to your selected location. Depending on your settings the file may save automatically to a default location.
3. Once the download is complete, unzip/extract the downloaded zipped file. On most devices, you can do this by either double-clicking or right-clicking the file.
4. After the file is unzipped, open the Readme file in the unzipped folder for further instructions. The unzipped folder will contain two types of files: those that you can read directly, and other types that can only be read by computers and are used when importing this information into other computer systems.

Caution: Anyone with access to your device could potentially see the downloaded files that contain your personal information.

Last requested date and time: September 11, 2025 6:20 PM

Meditech 4 REG
1234 Testing Way
Bullhead, Arizona 86401

09/12/2025

Dear Meditech 4 REG

Our schedule indicates that you have the following upcoming Virtual Visits Appointment with us.

NOTE: Virtual Visits are not supported on Internet Explorer. Please use a different browser such as Chrome, Firefox, Edge to conduct your Virtual Visit or Smart Device. Please make sure your connection is working including your camera and microphone using the "Test Connection" button on your portal prior to your visit.

Once signed into the portal you are able to pre-register for your virtual visit. During Pre-Registration, Please complete all the prompts to update your patient and contact information.

Please sign into your Patient Portal Home Screen for your appointment on the date and time below. You can log into your appointment no sooner than 20 minutes before your scheduled appointment time.

When "Test Connection" is completed, Click "Check In" and review/update your medications, then click "Join Visit".

This will put you in the "Virtual Waiting Room" and notify your provider that you are ready for your visit and they will join the visit as soon as they are available.

Date & Time: 09/12/2025 15:20
Provider: Z Mock, Combo Prov
Location: KRMC FP Resident Clinic
Phone: (928)681-8701

If you cannot keep this Virtual Visit Appointment, please call the number above to reschedule with us at your earliest convenience. Please allow 24 hours notice if cancelling.

Respectfully,

KRMC FP Resident Clinic Staff

Dear Reg,

You have new items available in your Patient Portal.

You have new items. Click on the link(s) below to view.

- [Appointments](#)

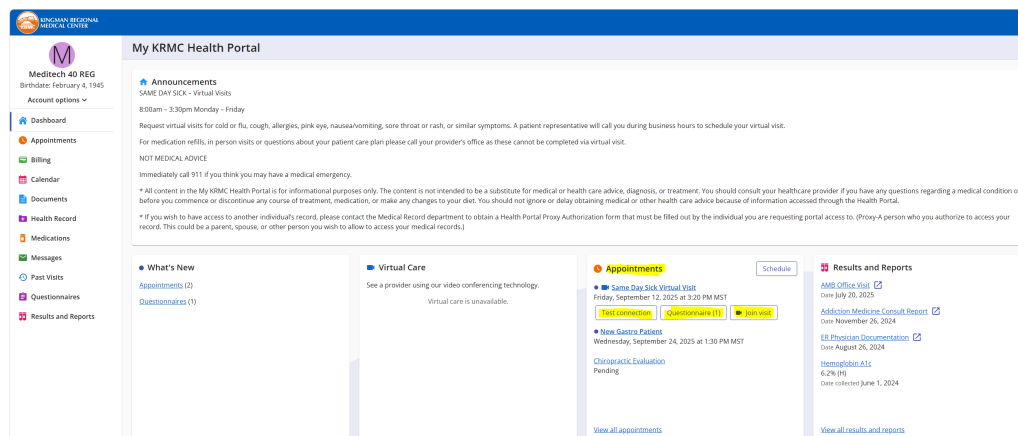

You can log on to the Home page of your portal by accessing the link below:

[Click here to sign in.](#)

11. Login to the portal

12. Under the appointments widget, you can

- Test your internet connection.
- Complete any questionnaires.
- Join your virtual visit. (If you're in the timeframe of your appointment)

- Please verify your internet speed meets the minimum requirements to successfully complete a virtual visit. You should receive the following message after testing your internet connection

- If you do not receive this message, please schedule an “in-person” visit.

Portal Enrollment for Minors

If you are trying to access your minor child's portal information, there are documents that need to be completed and returned depending on your child's age. If the child is 13 or under, you will need to complete and sign the "Add under 13 to Portal" document. If the child is over 13, **they** will need to complete and return the "Portal Proxy Authorization" form allowing the parent access to their medical records. The form can be returned by mail, email, or fax.

Mail: KRMC Medical Records
